

# MEDICAL SERVICES: MENTAL HEALTH

This section includes mental health and behavioral therapy offices.

## AVERAGE LEVEL OF CUSTOMER INTERACTION

Therapists, social workers and other staff members have minimal contact with patients.

## EMPLOYEE + PATIENT PROTECTION

- Provide therapy services to patients via phone call or video conference by appointment.
- Update patients on policies amid COVID-19.
- Allow staff to work from home.

- If an emergency arises, the patient should call 911 or report to their nearest emergency room.
